Yellow Teddy

Colour and Cut Out

One-Page Nativity

Yellow Teddy
MAKING THE ONE-PAGE NATIVITY

ALL YOU NEED IS:

- **Paper or card**
- **Scissors**
- **Sellotape or glue stick**
- **Coloured pencils, crayons or paints**

**Remember to keep your Nativity scene away from candles and Christmas lights!**

- **Print** the page.

- **Colour** in.

- **Fold** on the dotted lines.

- **Cut** on the solid lines shown by the little scissor marks.

- **Stick** the bottom side flaps underneath the bottom front section.

- **Stick a larger piece of card** underneath the stable to stop it falling over.

- **Wise Man and Shepherd** – Cut out, fold the bottom flap under and stick to the front part of the scene.

This makes a good present to post to a friend, as it all folds down flat.
